

What's wrong in Will the Pill's Kitchen?

Find the safety hazards in the kitchen. Then, use this page as a coloring activity.

A: 1. Pot cooking on stove with handle sticking out.
2. Poisonous products stored on low shelves. 3. Cord dangling from ironing board. 4. Cup with hot liquid within reach. 5. Sharp objects on counter. 6. Cabinets have no safety latches. 7. Matches on floor.
